CONTEST GUIDELINES/RULES:

Create an original design that will be used on the front of the T-shirt to be given to all participants and volunteers at the Kendrick Fincher Youth Run in Rogers on May 15, 2010. Approximately 1,000 T-shirts will be printed.

The design may be a maximum of four colors and should be drawn on a sheet of plain white paper size 8 ½ X 11. The entry form below should be taped to the back of each entry.

Judging will be based on creativity and tie in to the Youth Run or the Foundation's mission to promote proper hydration and prevent heat illness (for example: themes related to proper hydration, exercise, keeping cool). A minimum of six finalists will be chosen for community voting. The voting process is a fundraiser for the youth run with votes .25 per vote. All entries become the property of the Foundation and will not be returned.
